### **Lower Rio Grande Public Water Works Authority**

The Lower Rio Grande Public Water Works Authority was formed by the merger of five water systems. In 2012, the members of Butterfield Park MDWCA, Organ WSA and Brazito MDWCA voted to merge with the Authority, and in 2016 the Valle Del Rio Water System was acquired. With those mergers completed, the Authority now serves the residents of fourteen Colonias in southern Dona Ana County, New Mexico. Formation of this regional Authority gives those communities the ability to resolve many challenges that were previously affecting all eight associations and created additional benefits.

## League Membership Information

The League of Women Voters cares about Las Cruces and Doña Ana County. We take action and cooperate with other organizations to benefit our community.

Men and women who are at least 16 years of age are eligible for membership in the League of Women Voters of Greater Las Cruces. Joining a local League includes membership in the League of Women Voters of New Mexico and the League of Women Voters of the United States. The League is organized into two complementary halves: (1) voter services and education about the election process and (2) programs that study issues and lead to positions which are the basis for taking action at the national, state and local levels.

Members receive a monthly publication, THE VOTER, which contains a calendar of meetings, events and non-partisan voter services activities, as well as reports and articles about a wide variety of issues of interest to the members of the organization. Meetings are held monthly and announced in THE VOTER. Voter services activities include registering voters, sponsoring candidates' forums, and publishing a VOTERS GUIDE that includes information about candidates, amendments and ballot issues that will be voted on during an election. After elections and periodically, this publication, WHO'S WHO, is printed and posted on our website to enable voters to reach those whom they elected.

The League is a nonpartisan organization that neither supports nor opposes political candidates or parties. Organized in 1920 to educate voters about the election process, it continues to provide that community service.
