VOTER INFORMATION

United States citizens who are 18 years of age on the day of an election and who have established a permanent residence in the State of New Mexico are eligible to register to vote in Doña Ana County. Registration must be done at least 28 days prior to an election, in person or by requesting a mail-in registration from the county Bureau of Elections.

It is not necessary to register with a political party in order to vote. However, New Mexico is a "closed" primary state, meaning that you must be registered with a major political party (Democrat or Republican) in order to vote in that party's primary election. Lack of a party designation does not prevent voters from participating in regular elections. Absentee and early voting is allowed for all voters, subject to specified time lines. Registration is permanent in New Mexico as long as you do not move or change your name or party affiliation. If you have not voted in several years, it is possible your name could be removed from the voter rolls. Voter registrations are canceled when the voter has moved from the county, has been convicted of a felony or has been declared mentally incompetent. It is important to check your voter registration status to make sure it is current.

For more information contact the Bureau of Elections located in the Doña Ana County Government Center at 845 N. Motel Blvd. in Las Cruces. Phone (575) 647-7428, or find answers online at:

Soil and water conservation districts (SWCDs) are independent subdivisions of state government, governed by boards of supervisors, local landowners, and residents who are either elected or appointed. SWCDs are authorized by the Soil and Water Conservation District Act (73-20-25 through 73-20-48 NMSA 1978) to perform a variety of functions. SWCDs conserve and develop the natural resources of the state, provide for flood control, preserve wildlife, and protect

the tax base. This work promotes the health, safety, and general welfare of the people of New Mexico. SWCDs coordinate assistance from all available sources — public and private, local, state and federal — in an effort to develop locally driven solutions to natural resource concerns. Forty-seven SWCDs encompass the majority of New Mexico's land area.

About the League of Women Voters of Southern New Mexico

The League of Women Voters takes action and cooperates with other organizations to benefit our communities. All people who are at least 16 years of age and support our mission are welcome to join the league in southern New Mexico. Joining a local League includes membership in the League of Women Voters of New Mexico and the League of Women Voters of the United States.

The League is organized into two complementary halves: (1) voter services and education about the election process and (2) programs that study issues and lead to positions which are the basis for taking action at the national, state and local levels. Members receive a monthly publication, THE VOTER, which contains a calendar of meetings, events and non-partisan voter services activities, as well as reports and are about a wide variety of issues of interest to the members of the organization. Meetings are held throughout the year.

One of our primary activities involves elections and non-partisan support for voter rights and voter information. Voter services activities include registering voters, sponsoring candidates' forums, and publishing non-partisan VOTERS GUIDES that include information about candidates, amendments and ballot issues that will be voted on during an election.

In addition, this publication, WHO'S WHO, is printed and posted on the League website to enable voters to reach those whom they elected. The League does not support or oppose political candidates or parties. Organized in 1920 to educate voters about the election process, it continues to provide that community service.
